

Press Release

DCB Bank launches India's 1st Aadhaar based iris eye scan customer verification services, Aadhaar based fingerprint ATM & inaugurates 3 new branches in Telangana

- *Branches at Mancherial, Mothe and Narsapur to provide banking for farmers, individuals agri-business, self owned businesses and Small & Medium Enterprises (MSME & SME)*
- *Bank introduces new technology with Aadhaar based Iris scan & fingerprint ATM in Telangana*

Mancherial, June 15, 2017: DCB Bank, a new generation private sector bank today launched new services - India's first Aadhaar based iris eye scan customer verification and Aadhaar based fingerprint operated ATM in Telangana. These services utilise a customer's Aadhaar number, eye scan and fingerprint impression. The DCB ATM also can be used with the usual ATM/ Debit Card. This launch coincides with the inauguration of 3 new branches in Mancherial, Mothe and Narsapur.

DCB Banks branches in Telangana provide a range of banking products for farmers, agri-business, micro business, small business and individuals. The Bank provides loans for tractors, dairy, crop, land development, agri processing activities as well as for high tech farming such as greenhouses. It also offers warehouse construction loan, finance against warehouse receipts, loan against gold, loan to MSMEs, foreign exchange service and cash management service for individuals, farmers, entrepreneurs and businesses.

DCB Bank's financial inclusion initiative focuses on micro-deposits and savings accounts for low-income groups, who have had no access to the banking system previously. The Bank also holds financial literacy camps for new account holders.

DCB Bank also offers amongst the best Fixed Deposit (FD) interest rates on 2-5 years deposits. The Bank's senior citizen fixed deposit and tax-saving fixed deposit schemes also provide amongst the best interest and yield to customers. Moreover, customers who apply for DCB Elite Account can choose their own bank account number.

DCB Bank Chief Financial Officer, **Mr. Bharat Sampat** said, "Customers are delighted with the launch of India's first Aadhaar based ATM in Telangana. This is a unique and wonderful facility. Telangana is a very important market for DCB Bank. The new ATMs and branches are a testimony to our commitment to the State."

Mr. Narendranath Mishra, Head Agri & Inclusive Banking, DCB Bank, said, "DCB Bank branches in Telangana provide courteous and customer-friendly services. The Bank strives to customize products and services to the unique requirements of various customers from farmers to business owners and even institutional customers such as schools, colleges and hospitals. We are delighted to inaugurate the three branches and look forward to grow in Telangana."
