THE FRANKLIN TEMPLETON EDGE

Franklin Templeton Investments offers various investment strategies under the Franklin, Templeton, Mutual Series, Fiduciary Trust, Bissett, Darby, Balanced Equity Management and K2 investment teams names globally, providing investors with the flexibility to choose from a great variety of goals-from value to growth and sector-specific to international-to meet their individual investment objectives.

Franklin offers investors both, 'growth' and 'value' style equity products, as well as several focused sector portfolios. Franklin's growth team looks for companies with distinct and sustainable competitive advantages in rapidly growing markets, while value-driven analysts search for bargains and a catalyst that might unlock the companies' hidden worth for shareholders. This group also offers a line of fixed-income funds whose focus is on income, without speculating on interest rates or buying exotic derivatives. Due to Franklin's size and presence in the bond market, portfolio managers receive competitive offerings, which can reduce costs and help boost yields and returns. The municipal bond team's success can be attributed to a conservative, straightforward investment philosophy that emphasizes high, current tax-free income, while seeking preservation of capital. Franklin also offers a variety of money funds.

Templeton has more than 70 years of experience in global mutual fund management. Templeton managers are bargain hunters, employing a bottom-up, value-oriented approach to stock selection. They focus on identifying stocks of companies throughout the world that they believe are selling at the greatest discount to their five-year potential. They buy at the point of maximum pessimism and sell at the point of maximum optimism.

The Franklin Mutual Series group of global and domestic equity funds focus primarily on undervalued equities, stocks that we have identified they are trading at a substantial discount to intrinsic value and where there are catalysts to improve the valuation. The Funds may also make investments in merger arbitrage and stressed or distressed debt securities. While many investment managers avoid these situations, Mutual Series' long history with over 60-years of value investing and our in-depth analysis help us to uncover exceptional opportunities that others may overlook.

Mandatory Information

Bank Mandate:

As per the directives issued by SEBI, it is mandatory for applicants to mention their bank account numbers in their applications and therefore, investors are requested to fill-up the appropriate box in the application form failing which applications are liable to be rejected.

In an endeavour to protect the investors from possible fraudulent activities, the AMC may require the investors to submit such documents as may be deemed necessary or appropriate from time to time, for verification and validation of the bank account details furnished by the investors. The AMC reserves the right to deny the request for registration of a bank account for the investor's Folio in case the investor fails to submit the necessary document to the satisfaction of the AMC.

Submission of PAN and Aadhaar:

In accordance with the Prevention of Money-laundering (Maintenance of Records) Second Amendment Rules, 2017 read with SEBI circular dated June 6, 2018, investors are required to submit Aadhaar number and other prescribed details to Franklin Templeton Mutual Fund/its Registrar and Transfer Agent/ Franklin Templeton Asset Management (India) Pvt. Ltd. ("the AMC") as follows:

- i. Where the investor is an individual, who is eligible to be enrolled for Aadhaar number, the investor is required to submit the Aadhaar number issued by UIDAI. Where the Aadhaar number has not been assigned to an investor, the investor is required to submit proof of application of enrolment for Aadhaar. If such an individual investor is not eligible to be enrolled for Aadhaar number, the investor shall submit one certified copy of an officially valid document containing details of his identity and address and one recent photograph along with such other details as may be required.

The investor is required to submit PAN as defined in the Income Tax Rules, 1962.

- ii. Where the investor is a non-individual, apart from the constitution documents, Aadhaar numbers and PANs as defined in Income-tax Rules, 1962 of managers, officers or employees or persons

holding an attorney to transact on the investor's behalf is required to be submitted. Where an Aadhaar number has not been assigned, proof of application towards enrolment for Aadhaar is required to be submitted an officially valid document is required to be submitted. If a person holding an authority to transact on behalf of such an entity is not eligible to be enrolled for Aadhaar, certified copy of an officially valid document containing details of identity, address, photograph and such other documents as prescribed is required to be submitted.

In terms of SEBI circulars dated April 27, 2007, April 03, 2008 and June 30, 2008 read with SEBI letter dated June 25, 2007, **Permanent Account Number (PAN) would be the sole identification number for all participants transacting in the securities market, irrespective of the amount of transaction**, except (a) investors residing in the state of Sikkim; (b) Central Government, State Government, and the officials appointed by the courts e.g. Official liquidator, Court receiver etc. (under the category of Government) and (c) investors participating only in micro-pension. SEBI, in its letter dated July 24, 2012 has conveyed that investments in mutual fund schemes [including investments through Systematic Investment Plan (SIP)] of up to Rs.50,000/- per year per investor shall be exempted from the requirement of PAN.

Accordingly, where the aggregate of lump sum investment (fresh purchase and additional purchase) and SIP instalments by an investor in a financial year i.e., April to March does not exceed Rs.50,000/- (referred to as "Micro investment"), it shall be exempt from the requirement of PAN. However, a duly verified/attested copy of such document(s) as may be prescribed by the AMC/Trustee from time to time, needs to be submitted as the proof of identification in lieu of PAN Card copy.

This exemption will be available only to Micro investment made by individuals being Indian citizens (including NRIs, joint holders, minors acting through guardian and sole proprietary firms). PIOs, HUFs, QFIs and other categories of investors will not be eligible for this exemption.

For the purpose of identifying Micro investment, applications shall be aggregated at the investor level (same sole holder/joint holders in the same sequence) and such aggregation shall be done irrespective of the number of folios / accounts under which the investor is investing and irrespective of source of funds, mode, location and time of application and payment.

Thus, submission of PAN is mandatory for all existing as well as prospective investors (including all joint applicants/holders, guardians in case of minors, POA holders and NRIs but except for the categories mentioned above) for investing with mutual funds from this date. Investors are required to register their PAN with the Mutual Fund by providing the PAN card copy. E-PAN issued by CBDT can also be provided by FPI. **All investments without PAN (for all holders, including Guardians and POA holders) are liable to be rejected.**

Investors are requested to note that pursuant to Ministry of Finance Notification No. 1/2018/F. No. P.12011/24/2017-ES Cell-DoR dated March 31, 2018 the timelines for submission of the Aadhaar Number for the purpose of linking the same with Mutual Fund accounts/folios has been extended till further notice. Existing investors as well as new customers are however encouraged to link their Aadhaar to their mutual fund folio(s).

KYC Documents:

It is mandatory for all investors (including joint holders, NRIs, POA holders and guardians in the case of minors) to furnish such documents and information as may be required to comply with the Know Your Customers (KYC) policies under the Anti-Money Laundering Laws. **Applications without such documents and information may be rejected.**

All investments in Franklin Templeton Mutual Fund need to comply with the PAN and KYC requirements as noted above.

Payment of Redemption Proceeds and dividend

Redemption proceeds and dividend will be paid by cheque / demand draft or electronic mode, as per the payment mode opted for and payments will be made in favour of the Unitholder's registered name and bank account number. The payment instrument will be sent to the Unitholder's address registered with the Mutual Fund or the redemption proceeds/dividend may be credited to the bank account of the investor as per investor's instructions, subject to the AMC having necessary arrangements with the bank.

All payments will be made, in favour of the registered holder of the units or, if there is more than one registered holder, in favour of the first-named registered holder as determined by reference to the original

application for Units.

To safeguard the interests of the unitholders from loss or theft of their redemption cheques, the details of their bank account will be printed on the redemption/dividend cheques (wherever available). Investors are required to provide the name of their bank, branch address, account type & account number in the Application.

Payment instruments will be sent to the investor's address registered in the records of the Mutual Fund/ AMC. Dispatch of payment instrument shall be made by registered mail or courier, as may be deemed appropriate by the AMC unless otherwise required under any applicable regulations, at the risk of the investor. Such payments will constitute adequate discharge of the obligation of the Fund, Trustee and the AMC. The Fund, Trustee or the AMC will not be responsible for any delay/non-receipt of redemption proceeds where it is attributable to any incorrect/incomplete information provided by the investor. The Fund/ Trustee/ AMC will also not be liable for any loss on account of fraudulent encashment of the redemption cheque.

Payment through electronic modes

The redemption proceeds or dividend may also be paid through various modes of electronic payments such as Real Time Gross Settlement (RTGS) / National Electronic Fund Transfer (NEFT) / Direct Credit (DC)/ Immediate Payment Service (IMPS) or any other electronic mode introduced from time to time which offers various benefits such as reduction in transit delays, loss of payment instrument in transit, protection against fraudulent encashment etc.

Where the requisite information pertaining to the unitholder's bank account is available with FTMF, the Mutual Fund / AMC may, at its discretion, endeavour to credit the redemption processed / dividend directly to the Unitholder's bank account instead of issuing a payment instrument.

The investors are requested to provide their bank's Indian Financial System code (IFSC) for Real Time Gross Settlement (RTGS) or National Electronic Fund Transfer (NEFT) and / or Magnetic Ink Character Recognition (MICR) code for Electronic Clearing System (ECS). Investors are requested to note that RTGS and NEFT codes may be different for the same bank / branch. Please contact your bank for the details of the same. The Fund, Trustee or the AMC will not be responsible for any delay / non-receipt of electronic payment where it is attributable to any incorrect/incomplete information provided by the investor.

RTGS / NEFT/ IMPS are facilities offered by Reserve Bank of India (RBI), for facilitating better customer service by direct credit of dividend/redemption to an investor's bank account through electronic credit. This helps in avoiding loss of dividend/redemption warrant in transit or fraudulent encashment. It may be noted that there is no commitment from the Mutual Fund that this facility will be made available to the Unit holders for payment of dividend/redemption proceeds. While the Mutual Fund will endeavour in arranging the facility it will be dependent on various factors including sufficient demand for the facility from Unit holders at any centre, as required by the authorities. Payments made through ECS / RTGS / NEFT / DC/ IMPS are subject to applicable rules and policies of RBI and the working of banking system.

Any charges levied by the investor's bank for receiving payment through ECS / RTGS / NEFT / DC/ IMPS will be borne by the investor. The Mutual Fund / AMC will not accept any request for refund of such bank charges.

In cases where such a facility is not available or if the facility is discontinued by the Scheme for any reason or if the Mutual Fund/AMC is not able to credit the funds to the Unitholder's bank account for any reason, the AMC shall despatch to the unitholders a payment instrument. The Mutual Fund / AMC, however, reserve the right to issue a payment instrument despite of an investor opting for Electronic Payout.

Right to Limit Redemptions

The Trustee may, in its sole discretion in response to unforeseen circumstances or unusual market conditions, limit the total number of Units which may be redeemed on any Business day to 5% of the total number of Units then in issue (or such higher percentage as the Trustee may determine in any particular case). In addition, the Trustee reserves the right, in its sole discretion, to limit redemptions with respect to any single account in a single day as per the respective Scheme Information Document. Restriction on redemption may be imposed for a specified period of time not exceeding 10 working days in any 90 days period. The approval from the Boards of AMC / Trustee shall also be informed to SEBI in advance. Any Units which, by virtue of these limitations, are not redeemed on a particular Business Day will be carried forward for redemption on the next following Business Day in order of receipt. Redemptions carried forward

will be made at the NAV in effect on the subsequent Business Day(s) on which the condition for redemption request is fulfilled. To the extent multiple redemptions are being satisfied in a single day under these circumstances, such payments will be made pro-rata based on the size of each redemption request. Under such circumstances, redemption cheques may be mailed out to investors within a reasonable period of time and will not be subject to the normal response time for redemption cheque mailing.

Suspension of sale of units

With the approval of the Boards of Directors of the Trustee and the Asset Management Company, the sale of Units may be suspended temporarily or indefinitely when any of the following conditions exist:

1. The equity / debt market stops functioning or trading is restricted.
2. Periods of extreme volatility in the equity / debt market, which, in the opinion of the Investment Manager, is prejudicial to the interest of the investors.
3. When there is a strike by the banking community or trading is restricted by RBI or other authority.

However, it is clarified that this will not be applicable for investment made in the Initial Public Offers of the companies (IPOs) or firm allotment in public issues where all the regulatory requirements and formalities pertaining to public issues have been complied with by the companies and where the mutual funds are required to pay just before the date of public issue.

E) Expenses and Incomes Accrued:

All expenses and incomes accrued up to the valuation date shall be considered for computation of NAV. For this purpose, major expenses like management fees and other periodic expenses would be accrued on a day-to-day basis. The minor expenses and income will be accrued on a periodic basis, provided the non-daily accrual does not affect the NAV calculations by more than 1%.

F) Changes in securities and in number of units:

Any changes in securities and in the number of units will be recorded in the books not later than the first valuation date following the date of transaction. If this is not possible, given the frequency of NAV disclosure,

the recording may be delayed up to a period of seven days following the date of the transaction, provided as a result of such non-recording, the NAV calculation shall not be affected by more than 1%.

G) Accounting Policies and Standards

In accordance with Regulation 50 read with Ninth Schedule to SEBI Regulations, the Fund shall follow the following accounting policies:

- a) For the purposes of the financial statements, mutual fund shall mark all investments to market and carry investments in the balance sheet at market value. However, since the unrealised gain arising out of appreciation on investments cannot be distributed, provision has to be made for exclusion of this item when arriving at distributable income.
- b) Dividend income earned by a scheme should be recognised, not on the date the dividend is declared, but on the date the share is quoted on an ex-dividend basis. For investments which are not quoted on the stock exchange, dividend income must be recognised on the date of declaration.
- c) In respect of all interest-bearing investments, income must be accrued on a day to day basis as it is earned. Therefore when such investments are purchased, interest paid for the period from the last interest due date up to the date of purchase must not be treated as a cost of purchase but must be debited to Interest Recoverable Account. Similarly, interest received at the time of sale for the period from the last interest due date up to the date of sale must not be treated as an addition to sale value but must be credited to Interest Recoverable Account.
- d) In determining the holding cost of investments and the gains or loss on sale of investments, the "average cost" method must be followed.
- e) Transactions for purchase or sale of investments should be recognised as of the trade date and not as of the settlement date, so that the effect of all investments traded during a financial year are recorded and reflected in the financial statements for that year. Where investment transactions take place outside the stock market, for example, acquisitions through private placement or purchases or sales through private treaty, the transaction should be recorded, in the event of a purchase, as of the date on which the scheme obtains an enforceable obligation to pay the price or, in the event of a sale, when the scheme obtains an enforceable right to collect the proceeds of sale or an enforceable obligation to deliver the instruments sold.
- f) Bonus shares to which the scheme becomes entitled should be recognised only when the original shares on which the bonus entitlement accrues are traded on the stock exchange on an ex-bonus basis. Similarly, rights entitlements should be recognised only when the original shares on which the right entitlement accrues are traded on the stock exchange on an ex-rights basis.
- g) Where income receivable on investments has accrued but has not been received for the period specified in the guidelines issued by SEBI, provision shall be made by debiting to the revenue account the income so accrued in the manner specified by guidelines issued by SEBI.
- h) When in the case of an open-ended scheme units are sold, the difference between the sale price and the face value of the unit, if positive, should be credited to reserves and if negative is debited to reserve, the face value being credited to Capital Account. Similarly, when in respect of such a scheme, units are repurchased, the difference between the purchase price and face value of the unit, if positive should be debited to reserves and, if negative, should be credited to reserves, the face value being debited to the capital account.
- i) In the case of an open-ended scheme, when units are sold an appropriate part of the sale proceeds should be credited to an Equalisation Account and when units are repurchased an appropriate amount should be debited to Equalisation Account. The net balance on this account should be credited or debited to the Revenue Account. The balance on the Equalisation Account debited or credited to the Revenue Account should not decrease or increase the net income of the fund but is only an adjustment to the distributable surplus. It should therefore be reflected in the Revenue Account only after the net income of the fund is determined.
- j) In a close-ended scheme, launched prior to the commencement of the Securities and Exchange Board of India (Mutual Funds) (Amendment) Regulations, 2009 which provide to the unit holders the option for an early redemption or repurchase their own units, the par value of the unit has to be debited to Capital Account and the difference between the purchase price and the par value, if positive, should be debited to reserves and, if negative, should be credited to reserves.
- k) The cost of investments acquired or purchased should include brokerage, stamp charges and any charge customarily included in the broker's bought note. In respect of privately placed debt instruments any front-end discount offered should be reduced from the cost of the investment.
- l) Underwriting commission should be recognised as revenue only when there is no devolvement on the scheme. Where there is devolvement on the scheme, the full underwriting commission received and not merely the portion applicable to the devolvement should be reduced from the cost of the investment.

The accounting policies and standards as outlined above are as per the SEBI Regulations extant at this time and, hence, are subject to change as per any changes in the SEBI Regulations.

06. TAX, LEGAL AND GENERAL INFORMATION

A. TAXATION

The information provided below is for general information purpose only and is based on the advice obtained by Franklin Templeton. The disclosures in respect of the tax implications are in accordance with the prevailing tax laws and there can be no assurance or guarantee that the tax implications prevailing at the time of investment in the scheme will endure indefinitely.

Further statements with regard to tax implications mentioned herein below are mere expressions of opinion and are not representations of the mutual fund to induce any investor to acquire units of the schemes of the mutual fund. The prospective investors should not treat this information as advice relating to taxation or investment or any other matter. In view of the individual nature of the implications, each investor is advised to consult with his or her own tax advisors/authorised dealers with respect to the specific tax and other implications arising out of his or her participation in the schemes.

I. TAX IMPLICATIONS ON INVESTORS

Under the Income Tax Act, 1961 (the Act)

The following summary outlines the key tax implications applicable to unit holders based on the relevant provisions under the Act, and as per the amendments made by the Finance Act, 2018 (FA 2018).

The tax implications of the following income received by the investors are discussed below:

- i) Income on units (other than sale/redemption);
- ii) Income on sale/redemption of the units.

Taxability of income on units (other than sale/redemption):

The income received by an investor (other than income on sale/redemption) in respect of units of a Mutual Fund specified under section 10(23D) of the Act, is exempt under section 10(35) of the Act.

As the income is exempt from tax, no tax is withheld by the Mutual Fund upon distribution of such income.

Taxability of income on sale/redemption of units:

The taxability of the income on sale/redemption of units and the rates at which such income is taxed is provided below:

If the units are held as stock-in-trade:

If the units are held by an investor as stock-in-trade of a business, the said income will be taxed at the rates at which the normal income of that investor is taxed. The rates applicable to different investors are discussed at length in Note 1.

On sale of the units of an equity oriented mutual fund (as defined below in Note 3) on a recognised stock exchange or to the Mutual Fund, the investor will also be charged with securities transaction tax ('STT') as per the rates specified in the Para on STT, provided the transaction is also considered as a taxable securities transaction (as defined below in Note 3). In other cases, STT is not levied.

Any amount of STT paid in respect of taxable securities transactions entered into the course of business shall be allowed as deduction in computing "business income" in respect of such taxable securities transactions. [Section 36(1)(xv)]

If the units are held as investments:

On units of Equity Oriented Funds:

If the units are held as investments, the tax rates applicable to the unit holder will depend on whether the gain on sale of units is classified as a short term capital gain or a long term capital gain. As per section 2(29A) read with section 2(42A) of the Act, unit of an equity oriented mutual fund held as capital asset is treated as long-term capital asset if it is held for a period of more than twelve months preceding the date of transfer; in all other cases, they would be treated as short-term capital assets.

The tax rates applicable on short term or long term capital gains arising on transfer of units of a scheme,

being an **equity oriented mutual fund** are stated in the following table:

Nature of income	Tax rate [§]
Short-term capital gains on sale either to the Mutual Fund or on a recognised stock exchange	Capital gains tax to be payable at 15 percent* [applicable to all investors including Foreign Portfolio Investors (FPI)]

The CBDT, vide its notification no 53/2016 dated 24th June, 2016 has inserted Rule 37BBC in the Income Tax Rules, 1962.

In the said rule, it has been clarified that the provisions of section 206AA shall not apply to non-resident, not being a foreign company, or a foreign company in respect of payments made to them in the nature of interest, royalty, fees for technical services and payments on transfer of any capital asset, if the non-resident provides the following details to the payer:

Provisions regarding Dividend income and Bonus

According to the provisions of Section 94(7) of the Act, losses arising from the sale/redemption of units purchased within 3 months prior to the record date (for entitlement of dividends) and sold within 9 months after such date, is disallowed to the extent of income on such units (other than on sale/redemption) claimed as tax exempt.

According to the provisions of Section 94(8) of the Act, if an investor purchases units within 3 months before the record date (for entitlement of bonus) and sells/redeems the units within 9 months after that date, and by virtue of holding the original units, he becomes entitled to bonus units, then the loss arising on transfer of original units shall be ignored for the purpose of computing his income chargeable to tax. In fact, the loss so ignored will be treated as cost of acquisition of such bonus units.

Other relevant provisions

a) Eligible foreign investors

The Securities and Exchange Board of India (SEBI) has notified the SEBI (Foreign Portfolio Investors) Regulations, 2014 wherein it merged Foreign Institutional Investors (FIIs), sub accounts and Qualified Foreign Investors (QFIs) into a single category, referred to as Foreign Portfolio Investors (FPI), with the objective of rationalizing investments made by FIIs and QFIs. The term FPI has been defined to refer to a person who satisfies the eligibility criteria prescribed under FPI Regulations and has been registered thereunder.

FPIs may function as investors or fund manager. FPIs can invest inter alia in units of mutual funds. Furthermore, SEBI has specifically permitted investments made by FPIs in bonds issued by infrastructure finance companies and debt funds as well as bonds, including rupee-denominated credit enhanced bonds.

A notification has been issued by the Central Board of Direct taxes stating that for the purposes of taxation an FPI shall be deemed to be an FII and taxed accordingly.

b) Alternate Minimum Tax ("AMT")

The Act has extended the levy of AMT to tax unit holders (other than companies) to pay AMT at the rate of 18.5 percent on the adjusted total income. In a situation where the income-tax computed as per normal provisions of the Act is less than the AMT on "adjusted total income", the unit holder shall be liable to pay tax as per AMT at the rate of 18.5 percent. "Adjusted total income" for this purpose is total income before giving effect to the deductions claimed under heading C of chapter VI-A (other than section 80P), deduction claimed, if any, under section 10AA and deduction claimed, if any, under section 35AD as reduced by the amount of depreciation allowable in accordance with the provisions of section 32 as if no deduction under section 35AD was allowed in respect of the assets on which the deduction under that section is claimed. AMT will not apply to an Individual, HUF, AOP, BOI or an Artificial Juridical Person if the adjusted total income of such person does not exceed INR 20 lakhs. Further, the credit of AMT can be further carried forward to fifteen subsequent years and set off in the year(s) where regular income tax payable exceeds the AMT.

Further it has been provided that the Foreign Tax Credit (FTC) claimed against AMT liability which exceeds the FTC that would have been allowable while computing income under normal provisions, would be ignored while computing tax credit under AMT.

c) Minimum Alternate Tax

Section 115JB of the Act provides that a company is subject to provisions of Minimum Alternative Tax (MAT). Where the tax payable as per the regular provisions of the Act is less than 18.5 per cent of the book profits computed under the said provisions, tax shall be payable at the rate of 18.5 per cent (of the book profit) plus applicable surcharge and health and education cess.

Under the Act, long-term capital gains arising on sale of units of an equity oriented fund and exempt under the provisions of section 10(38) of the Act, would not be excluded from the book profits while calculating profits chargeable to minimum alternate tax.

As per the section 115JAA of the Act, a tax credit (being the difference of taxes paid under MAT and the amount of taxes payable by the tax payer under the regular provisions of the Act) is allowed to be carried forward for fifteen years immediately succeeding the assessment year in which tax credit

becomes allowable. The tax credit can be set-off in a year when the tax becomes payable on the total income is in accordance with the regular provisions of the Act and not under MAT.

As per section 115JB of the Act, the amount of income accruing or arising to a foreign company from capital gains arising on transactions in securities or interest, royalty, or fees for technical services chargeable to tax at the rates specified in Chapter XII of the Act, shall be excluded from the purview of MAT, if such income is credited to the Profit and Loss Account and the tax payable on such income under the normal provisions is less than the MAT rate of 18.5%. Consequently, corresponding expenses shall also be excluded while computing MAT.

Further, an Explanation to section 115JB of the Act clarifies that, provisions of MAT will not apply to a foreign company if:

- a) It is a resident of a country with which India has a DTAA and the company does not have a permanent establishment in India in accordance with the provisions of such DTAA; or
- b) it is a resident of a country with which India does not have a DTAA and the foreign company is not required to register under any law applicable to companies.

The Act has provided that the FTC claimed against MAT liability which exceeds the FTC that would have been allowable while computing income under normal provisions, would be ignored while computing tax credit under MAT.

d) Taxability of non-resident investors

In case of non-resident unit holder who is a resident of a country with which India has signed a Double Taxation Avoidance Agreement (“DTAA” or “tax treaty”) (which is in force) income tax is payable at the rates provided in the Act, as discussed above, or the rates provided in such tax treaty, if any, whichever is more beneficial to such non-resident unit holder.

For non-residents claiming such tax treaty benefits, the Finance Act 2012 mandates the obtaining from the home country tax authority of a tax residency certificate (‘TRC’) in a format to be prescribed.

Section 90(5) of the Act (introduced by the Finance Act, 2013) provides that an assessee to whom a DTAA applies shall provide such other documents and information, as may be prescribed. Further, a notification substituting Rule 21AB of the Income-tax Rules, 1962 (Rules) has been issued prescribing the format of information to be provided under section 90(5) of the Act, i.e. in Form No 10F. Where the required information³ is not explicitly mentioned in the TRC, the assessee shall be required to furnish a self-declaration in Form No 10F and keep and maintain such documents as are necessary to substantiate the information mentioned in Form 10F.

e) General Anti Avoidance Rules (GAAR)

The General Anti Avoidance Rule (GAAR) was introduced in the Income-tax Act by the Finance Act, 2012 and was proposed to be made effective 1 April 2013. The FA 2015 made the provisions of GAAR applicable prospectively from 1 April 2017. Further, investments made up to 31 March 2017 would be protected from the applicability of GAAR.

f) Widening of taxability of Capital Gains

In the context of taxation of capital gains, the definitions of “capital asset” and “transfer” are widened with retro-effect from 1 April 1961 specifically with a view to tax in the hands of non-residents, gains from direct or indirect transfer of assets in India.

g) Consolidation of mutual fund schemes

Section 47 of the Act deals with transactions not regarded as transfer for the purpose of computing capital gains chargeable to tax under the provisions of the Act. FA 2015 has amended Section 47 of the Act to provide that transfer by a unit holder of units held by him on consolidation of schemes of a

³ - Status (individual, company, firm etc) of the taxpayer;

- Nationality (in case of an individual) or country or specified territory of incorporation or registration (in case of others);

- Taxpayer's tax identification number in the country or specified territory of residence (In case there is no such number, then, a unique number on the basis of which the person is identified by the Government of the country or the specified territory of which the taxpayer claims to be a resident);

- Address of the taxpayer in the country or specified territory outside India, during the period for which the certificate is applicable.

mutual fund shall not be treated as a transfer provided they are allotted units in the consolidated scheme of the mutual fund. The aforesaid exemption is provided only where the consolidation is of two or more schemes of an equity oriented fund or two or more schemes of a non-equity oriented fund.

Accordingly, Explanation 1 to Section 2(42A) relating to the period of holding has been amended to provide that the period of holding of the units of the consolidated scheme shall include the period for which the units in the consolidating scheme were held by the assessee.

Similarly, section 49 relating to the cost of acquisition of a capital asset has also been amended to provide that the cost of acquisition of the units of the consolidated scheme shall be deemed to be the cost of acquisition of the units in the consolidating scheme.

Section 47 also provides that transfer by a unit holder of units held by him on consolidation of plan of a mutual fund scheme shall not be treated as a transfer provided they are allotted units in the consolidated plan of that scheme of the mutual fund.

The provisions of the Act have provided that the cost of acquisition of the units in the consolidated plan of mutual fund scheme shall be the cost of units in the consolidating plan of mutual fund scheme and the period of holding of the units in the consolidated plan of mutual fund scheme shall include the period for which the units in the consolidating plan of mutual fund scheme were held by the assessee.

The units of the schemes are not transferable unless the units are held in electronic (demat) form or are held under a transferable Unit Certificate. However, restrictions on transfer of units during the lock-in period shall continue. In case of schemes which are not listed on a recognised stock exchange, as the Mutual Fund offers repurchase (redemption) facility (subject to terms of the respective Scheme Information Document), the transfer facility is found redundant. Any addition or deletion of name in the Folio is treated as transfer of Units. In view of the same, additions or deletions of name(s) will not be allowed under any Folio. A minor unit-holder upon attaining majority is entitled to introduce the erstwhile guardian as a joint holder subject to completion of necessary formalities.

However, if a transferee becomes a holder of the Units by operation of law or upon enforcement of a pledge, then the AMC shall, subject to production of such evidence, which in their opinion is sufficient, proceed to effect the transfer, if the intended transferee is otherwise eligible to hold the Units.

A person becoming entitled to hold the Units in consequence of the death, insolvency, or winding up of the sole holder or the survivors of joint holders, upon producing evidence to the satisfaction of the Fund, shall be registered as a unitholder.

II. TRANSMISSION

The scheme's units can be transmitted after completion of necessary formalities to the entitled person(s) in the event of death of Unitholder at any time. All the restrictions and limitations specified herein including those relating to lock-in period and creation of charge, will be binding also on the successors, legal heirs, pledgee or assigns of the investor.

The units of the schemes held in electronic (demat) form will be subject to the transmission facility in accordance with the provisions of SEBI (Depositories and Participants) Regulations, 1996 and the bye laws of depositories, as amended from time to time. With effect from April 1, 2011, in line with AMFI Best Practice Guidelines, nomination is mandatory for new folios/accounts opened by individual especially with sole holding and no new folios/accounts for individuals in single holding shall be opened without nomination. Those investors who do not wish to nominate must sign separately confirming their non-intention to nominate.

Nomination would normally be registered at the Folio level and will be recorded for all Accounts under that Folio. Nomination is also available to a sole proprietary concern Folio / Account. For investment made under the Franklin Templeton Family Solutions facility, the nomination can be registered at Goal level. However the investor may choose to register different nomination for any of the Accounts under that Folio. In case of switch which results in creation of a new Account, the nomination, if any, registered in the source (switch-out) account will automatically be registered for the destination (switch-in) account. In case of subscription which results in creation of a new Account, the nomination registered in the last transacted account under that Folio will automatically be registered for the new account.

If a security is not traded on NSE, it will be valued at the last quoted closing price on the Bombay Stock Exchange Limited (BSE). If a security is not traded on NSE and BSE, it will be valued at the last quoted closing price on other recognised stock exchange where the security is traded. If the security is traded on more than one recognised stock exchanges (other than NSE and BSE), it will be valued at the last quoted closing price on the stock exchange as may be selected by the Valuation Committee, and the reasons for such selection will be recorded in writing.</p> <p>➤ If a security is not traded on any stock exchange on a particular valuation day, the last quoted closing price on NSE or BSE or other recognised stock exchange (in the order of priority)# on the earliest previous day would be used, provided such day is not more than thirty days prior to the valuation day.</p> <p>*Prior to December 1, 2014 these securities were valued at the last quoted closing price on The Bombay Stock Exchange Limited (BSE).</p> <p>#Prior to December 1, 2014, the order of priority was BSE or NSE or other recognised stock exchange.</p>

Also if the volume traded is 40,000, but the value of trades is Rs. 600,000, the share does not qualify as thinly traded.</p> <p>In order to determine whether a security is thinly traded or not, the volumes traded in all recognised stock exchanges in India may be taken into account.</p> <p>Where a stock exchange identifies the “thinly traded” securities by applying the above parameters for the preceding calendar month and publishes/provides the required information along with the daily quotations, the same may be used by the mutual fund.</p> <p>If the share is not listed on the stock exchanges which provide such information, then it will be obligatory on the part of the mutual fund to make its own analysis in line with the above criteria to check whether such securities are thinly traded which would then be valued accordingly.</p>

ASSETS	POLICY
Suspended equity securities	In case trading in an equity security is suspended up to 30 days, then the last traded price would be considered for valuation of that security. If an equity security is suspended for more than 30 days, then the Valuation Committee will decide the valuation norms to be followed and such norms would be documented and recorded.
Non-traded / thinly traded equity securities	<p>a) Based on the latest available Balance Sheet, net worth shall be calculated as follows: Net Worth per share = [share capital + reserves (excluding revaluation reserves) – Misc. expenditure and Debit Balance in P&L A/c] Divided by No. of Paid up Shares.</p> <p>b) Average capitalisation rate (P/E ratio) for the industry based upon either BSE or NSE data (which should be followed consistently and changes, if any noted with proper justification thereof) shall be taken and discounted by 75% i.e. only 25% of the Industry average P/E shall be taken as capitalisation rate (P/E ratio). Earnings per share of the latest audited annual accounts will be considered for this purpose.</p> <p>c) The value as per the net worth value per share and the capital earning value calculated as above shall be averaged and further discounted by 10% for ill-liquidity so as to arrive at the fair value per share.</p> <p>d) In case the EPS is negative, EPS value for that year shall be taken as zero for arriving at capitalised earning.</p> <p>e) In case where the latest balance sheet of the company is not available within nine months from the close of the year, unless the accounting year is changed, the shares of such companies shall be valued at zero.</p> <p>f) In case an individual security accounts for more than 5% of the total assets of the scheme, an independent valuer shall be appointed for the valuation of the said security.</p> <p>To determine if a security accounts for more than 5% of the total assets of the scheme, it would be valued by the procedure above and the proportion which it bears to the total net assets of the scheme to which it belongs would be compared on the date of valuation.</p>

The value as per the net worth value per share and the capital earning value calculated as above shall be averaged and further discounted by 15% for illiquidity so as to arrive at the fair value per share.</p> <p>The above methodology for valuation shall be subject to the following conditions:</p> <ol style="list-style-type: none"> i. All calculations as aforesaid shall be based on audited accounts. ii. In case where the latest balance sheet of the company is not available within nine months from the close of the year, unless the accounting year is changed, the shares of such companies shall be valued at zero. iii. If the net worth of the company is negative, the share would be marked down to zero. iv. In case the EPS is negative, EPS value for that year shall be taken as zero for arriving at capitalised earning. v. In case an individual security accounts for more than 5% of the total assets of the scheme, an independent valuer shall be appointed for the valuation of the said security. To determine if a security accounts for more than 5% of the total assets of the scheme, it should be valued in accordance with the procedure as mentioned above on the date of valuation.
<p>Equity and Equity related securities under lock in period / pending listing</p>	<ol style="list-style-type: none"> a. <p>Valuation of Convertible Debentures and Bonds</p>	<p>In respect of convertible debentures and bonds, the non-convertible and convertible components shall be valued separately. The non-convertible component should be valued on the same basis as would be applicable to a debt instrument.
